Bucharest

25X1A

1. Attached are packages on the following subjects.

- A. [redacted] This includes a revised briefing paper and adjusted graphics based on your notes of 26 July 1978.
- B. Lebanon. ORPA has revised the briefing paper in light of your comments.
- C. [redacted] on Africa and Dissidents. This includes your revised talking points.
- D. Soviet/Cuban Options in Southern Africa. This includes the revised graphics. Are they satisfactory?
- E. Cuban Manpower. This is a short item. Talking points and a chart are included.

2. We are putting together a short briefing on the Soviet [redacted] 25X1A alert. It will be ready Monday.

3. Answers to the questions raised at the 25 July Presidential Briefing are:

A. Vietnam

- (1) At the moment Vietnamese troops are in Cambodia in narrow buffer zones along the border. We don't know if the Vietnamese see this as temporary.
- (2) Tokyo fully normalized relations with Hanoi in April 1978.

B. Soviet Civil Defense

[redacted] agree that Soviet evacuation would tend to make war more likely because it would put Soviet society into a mode that could only be maintained for the long term with great difficulty.

C. Soviet Microelectronics

- (1) Hybrids are largely hand assembled.
- (2) The Soviets sell computers as well as components in the West. They don't sell many computers because Western computers are so much better.
